Last year households in Northamptonshire recycled over 7,500 tonnes of food waste. While this is great, the “In To Win” Campaign aims to get more Northamptonshire households recycling even more of their food waste, by offering the chance to win a range of prizes, just for putting your food waste caddy out for collection each week!

Thousands of homes have access to a food waste collection as part of their kerbside recycling scheme. If you have a food waste caddy or bin at home, you could win fabulous prizes simply for using it!

Prizes include: llama trekking; afternoon teas; leisure vouchers; vineyard tours; theatre vouchers, white-water rafting and more.
