

Get Fit in Moulton and the Surrounding Villages!

Activities to help you improve your health, wellbeing and quality of life.

What is wellbeing?

This can be defined as “A positive state of mind and body, feeling safe and able to cope, with a sense of connection with people, communities and the wider environment”.

We have developed the plan to help raise awareness of activities available in Moulton and the surrounding villages. Take a look and see which activities you could benefit from.
