

# IMPORTANT INFORMATION ABOUT ROADWORKS IN YOUR AREA

## UPDATED INFORMATION FOLLOWING PROGRAMME REVISION

### Works – A43. NORTHAMPTON TO KETTERING IMPROVEMENTS. PHASE 2

**Due for completion** – Spring 2018

**Progress to date** – Balfour Beatty has made good progress through the summer and achieved the key date to move the traffic onto the new carriageway permitting the commencement of the existing A43 carriageway construction.

The next phase is the opening of the new Park View junction and closure of the existing Park View access. This will allow the drainage and the external kerb line to the new roundabout to be completed ready for the November weekend closures when the surfacing will be completed to the finished profile.

Below Figure 1 depicts the current layout and Figure 2 portrays the new layout.

The decision to open the new Park View entrance during the day was to allow drivers the benefit of daylight to see and adapt for the new road layout.

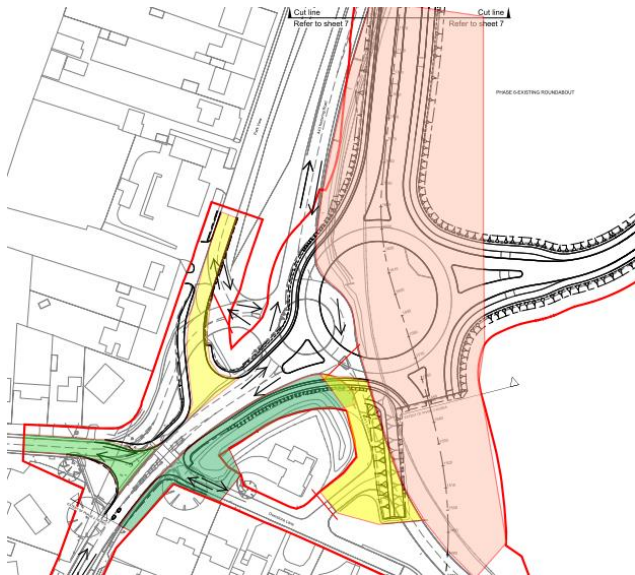

Figure 1 – Current Layout

Figure 2 – New layout in affect during 18/10/17

## IMPORTANT INFORMATION ABOUT ROADWORKS IN YOUR AREA UPDATED INFORMATION FOLLOWING PROGRAMME REVISION

What is the traffic management	Date	Times	What works are being carried out and alternative routes
<b>4 way lights.</b> A43 Moulton Roundabout.	16 <sup>th</sup> October to 18 <sup>th</sup> October	09.30 – 15.30	To facilitate the opening of Park View
