Dear Residents

By now you will have received a voting card for a Referendum being held on 1st December at Moulton Village Hall.

WHAT'S THE REFERENDUM FOR? – TO RATIFY THE MOULTON NEIGHBOURHOOD DEVELOPMENT PLAN (MNDP)

The MNDP has been developed by the Parish Council over the last 4 years and sets out a vision and plan for how development in the village will be controlled in the future. The MNDP will also provide key new infrastructure for the village to help deal with the new developments that have already been planned. Moulton Parish Council has been working to address the parking and congestion difficulties associated with Moulton School and Moulton Football Club. The NDP provides a solution to these problems that cannot be delivered by any other means. (No more buses and coaches mounting our narrow village paths, removal of traffic jams at the west end of the village caused by cars and buses trying to enter Pound Lane)
You will be asked to vote on the following question:

"Do you want Daventry District Council to use the neighbourhood plan for Moulton to help it decide planning applications in the neighbourhood area?"

WHY SHOULD I VOTE?
The MNDP provides:

- A new car, bus and coach park, which will remove all school buses from the narrow village roads and Pound Lane. School buses will be rerouted out of the village centre and access will be from Boughton Road only, significantly improving safety for children walking to both schools. Parents will use the carpark as a drop off and collection point, not Pound Lane and surrounding residential areas. Teams using Moulton Football Club will use this car park in the evenings and weekends removing the need to park in residential areas.
- Additional 'Safer Routes to School' footpath to improve road safety for children walking to and from both schools
- Improved protection from future speculative housing developments
- New football pitches for the football club to further improve the facilities
- Protection of our open green spaces
