

Celebrating Christmas 2023

IN MOULTON

CHRISTMAS CRACKER

SUNDAY 3rd DECEMBER

MOULTON COMMUNITY CENTRE - Sandy Hill, Reedings, Moulton, NN3 7AX

We are delighted, once again, to be hosting our ever-popular Christmas Cracker event from 10.30am to 2.30pm at Moulton Community Centre. This is a wonderful event with something for all the family. You'll be able to find festive inspiration at our Christmas Market, where you will discover plenty of gift ideas, perfect for working through your Christmas gift lists, alongside lots of delicious food and drink.

Whilst the grown-ups enjoy festive treats, children will be able to take part in some free craft activities. The children's library will be transformed into a festive wonderland, where they will be able to write and post their letters to Santa - make sure addresses are put on the letters, as Santa has promised to reply to them all!

This promises to be a wonderful festive family day, and we would love as many of our residents, community groups and organisations as possible to get involved.

Throughout December the library will continue with lots of festive activities - including our very first Panto (oh yes it is!), themed story times, Elf School and lots, lots more!

Be sure to follow us on social media @MoultonCommunityCentre and @moultonlibraryhub and take a look at our Ticketsource link: www.ticketsource.co.uk/moulton-library-health-and-wellbeing-hub to book your place.

eat AT MCC
